New Bedford 11th mo 6 1843

To M. W. Chapman
Boston

Your note of Sept. 25th
has remained too long unan-
swered. — Its object commends
itself to my warmest sympathy,
and though personally unknown
to me, few are strangers, in this
part of the world, to your un-
tiring zeal in the cause of
Oppressed humanity. — and
at your bidding I freely con-
tribute my mite, in the mode
suggested, to herald the grand
Moral movement which is de-
signed I trust, at no very dis-
tant day by the ordering of Pro-
idence, to loose the fetters of the
Slave in this and all other profes-
sing Christian lands.

I enclose five Dollars towards
the expenses of the "Liberty Bell" and am
very truly your friend Saml. Rodman
